Binary.com is your fully licensed and regulated partner in earning extra income thru binary options trading.

Since we launched our platform in 2000, we have registered over one million accounts worldwide.

We have revolutionised the industry by making binary options available even to ordinary investors.

Trading binary options and other financial instruments is possible on our platform from as low as USD 1 per trade and USD 5 per deposit.

**Earn up to 35% commission if you refer new clients to sign up and trade binary options on our award-winning platform.**

## Which commission plan works for you?

Generate potential profit from your online traffic by referring new clients to trade with us. Choose from two types of commission plans based on your business needs:

### Revenue share

Maximise your potential profit with our tiered and laddered commission rates based on the monthly net revenue of your referred clients.

Tier	Total net revenue per month (in USD)	Commission Rates
1	\$0 - \$10,000	20%
2	\$10,001 - \$50,000	25%
3	\$50,001 - \$100,000	30%
4	\$100,001 and above	35%

### Turnover

Profit from the winning probability of your referred clients. Contracts with lower probability of returns for the client will generate a higher commission for affiliates.

Probability of returns	0 - 19.999%	20 - 39.999%	40 - 59.999%	60 - 79.999%	80 - 94.999%	95% +
Commission (as % of stake)	1.25%	1%	0.75%	0.5%	0.25%	0%

**Receive all your commissions in your Binary.com account by the 15th of each month.**
